Run Water Alert Update

The City of Charlevoix is NOT on a community-wide run water notice.

If you received a notice in the mail, or your address is on the attached list, you are asked to run your water.

If you did not receive a mailing or you are not on the attached list, you are not being asked to continually run your water.

We apologize for any confusion. Please feel free to call the City of Charlevoix Water Department at 231-547-3276 if you have any questions.

Thank you,

Pat Elliott

Department of Public Works Superintendent
