**Records Located on City Website**

Any public records available to the general public on the City's website at the time of the request are exempt from any labor charges to redact (*separate exempt information from non-exempt information*).

If the FOIA coordinator knows that all or a portion of the requested information is available on its website, the City must notify the requestor in its written response that all or a portion of the requested information is available on its website. The written response, to the degree practicable in the specific instance, must include a specific webpage address where the requested information is available. On the detailed cost itemization form, the City must separate the requested public records that are available on its website from those that are not available on the website and must inform the requestor of the additional charge to receive copies of the public records that are available on its website.

If the requestor thereafter stipulates that the public record be provided to him or her in a paper format or other form, including digital media, the City will provide the public records in the specified format (if the City has the technological capability) and applicable fees will be charged.

I hereby stipulate that, even if some or all of the records are located on a City website, I am requesting that the City make copies of those records on the website and deliver them to me in the format I have requested above. I understand that some FOIA fees may apply.
