B. <u>Conservation Easement Ballot Language</u>

The purpose of the petition was to require the City Council to grant conservation easements to Little Traverse Conservancy for Mt. McSauba Recreation Area and Lake Michigan Beach Park to protect the recreational and environmental values of these areas in perpetuity and limit development of the properties to existing uses and existing facilities. City Manager Heydlauff stated that Mr. Campbell submitted 490 signatures to the Clerk for verification, of which 416 were found to be valid which entitled the Charlevoix Conservation Easement Committee the ability to put the question of an easement before the voters on the November 8, 2016 ballot. City Attorney Howard drafted the ballot proposal language consistent with both the petition language and State law, as written in the attached Resolution. If City Council approves the Resolution, then the proposed ballot language will be forwarded to the Attorney General for final approval. Once approved, the question will be voted upon by the citizens of Charlevoix in November. City Manager Heydlauff clarified that Council was not endorsing the proposal at this meeting, but only approving the ballot language itself.
