Chief Doan stated that Officer Schlappi quickly assisted the occupant in safely exiting the home.

Chief Doan stated that Officer Schlappi has been with our Department for twenty-four years and his dedication to the Department and to the citizens of Charlevoix is without measure. Officer Schlappi went above and beyond by exhibiting exceptionally meritorious conduct involving exemplary courage, great risk and danger to his own personal safety. Officer Schlappi was awarded the Medal of Valor by the Michigan Association of Chiefs of Police.

B. Lake Michigan Beach Park Conceptual Designs

Ken Polakowski, Shade Tree Commission, has been working on a conceptual design for the future of Lake Michigan Beach Park and the Park Avenue Corridor. Mayor Kurtz requested he provide an update on this plan. Mr. Polakowski discussed the existing conditions at length and the Shade Tree Commission's proposed concept design for the entire area. He stated that the Commission would like the City to submit a request for proposal for engineering services to move this project forward.

Mayor Kurtz opened the item to public comment.

Sharon Doherty expressed concern for the height of underbrush and felt it should be addressed to keep the park safe.

Bob Christoph suggested moving utilities underground.

Mike Doherty commented that the trails are a mess and he doesn't see anyone maintaining the area while the study is going on. He felt that Park Avenue should be fixed now.

**6. Public Hearings & Actions Requiring Public Hearings**

**A. Capital Budget**

City Manager Heydlauff stated that the City Charter and the Michigan Planning and Zoning Enabling Act both require the adoption of a Capital Improvement Plan (CIP) or Capital Budget. This document is part of our larger effort to be Redevelopment Ready Community certified by the Michigan Economic Development Corporation. He explained that the Capital Budget frames our long-term budgetary planning and should be done in conjunction with projected changes in the community. The items listed in the Capital Budget are projections at this point; Staff and Council could re-order priorities or modify them as we move forward. City Manager Heydlauff commented that a conceptual design for the combined Public Works building will be presented to Council this fall.

Mayor Kurtz opened the public hearing at 7:34 p.m. There was no comment and the item was closed.

**B. Branding and Logo Design**

DDA/Main Street Executive Director Dotson stated that a5 was hired by the Downtown Development Authority to create a new brand for Charlevoix, and to craft the story that can be shared internally and throughout the region to increase community pride, economic development and tourism. In order to create a brand that represents the community, a5 conducted research and engaged the community in the process. Director Dotson noted the branding process began November 2016. She recalled that during the June 5th Council meeting, John Harris from a5 presented one brand platform/theme surrounding the word "beautiful" and indicated that the after several meetings with key stakeholders Concept B was recommended by the DDA for their approval. Council requested a public hearing to solicit additional feedback from the community.

Mayor Kurtz opened the public hearing at 7:41 p.m.

Candice Speck, a resident graphic artist, submitted her own branding proposal. She felt the traditional script should be retained.

Jodi Laurent was in favor of the traditional script which would depict Charlevoix's elegant character.

Kathie Libert offered free branding services and felt that Council should not commit to a brand that 50% did not want.

Shelly Langwig preferred Ms. Speck's proposal.

Amanda Wilkin, CVB, explained that the goal of rebranding was to enhance the Charlevoix that we all know and love as well as provide a more modern feel, draw more youth to the community and have brand consistency across all platforms.

Marge Kirinovic preferred Ms. Speck's proposal.

Scott Woody stated that the graphic "C" (Concept B) was not unique and was used in advertising collateral in Colorado. Councilwoman Gibson showed an example.

Carissa Mullaney, Main Street Promotions Committee, felt that a5 had strong community branding experience. She acknowledged that locals are fond of the traditional font, but wondered if it is recognizable for people outside of Charlevoix.

John Haggard was in favor of listening to the youth's opinion regarding new branding and felt the lighthouse should be included.

Carol Mack-Griffin was in favor the traditional script.

The item was closed at 7:59 p.m.

Councilmember Perron felt that Council should consider the context of where the brand will be used and he agreed with the DDA's recommendation. He wondered how long the debate might continue. Councilmember Hagen agreed.

Councilmember Kalbfell asked a high school graduate in the audience for her preference.

Mayor Kurtz noted that we are not giving up our identity by selecting Concept B. He felt that the traditional script could still be used locally, while Concept B could be used to brand the town outside the area.

Councilmember Gibson was in favor of Ms. Speck's proposal. Discussion was reopened with the public regarding the variety of logos used over the years and the historical component of the traditional font. Director Dotson explained that once a concept was selected, a5 would adapt the design to promote events and activities throughout the year.

Motion by Councilmember Perron, second by Councilmember Hagen, to approve Concept B and authorize Staff to proceed with the branding process.

Nays: Gibson, Oleksy

## 7. All Other Actions & Requests

### A. Fire Pit Policy Options

City Manager Heydlauff recalled that at the last meeting, a resident shared her concerns about a neighbor's fire pit. Currently, the only restriction on backyard fires is found in the Nuisance Ordinance where it contemplates what might be a nuisance:

*(10) The emission of fumes or gas in such quantities as to cause discomfort to a person of normal sensory acuity at an adjoining property or public place.*

He stated that ordinarily, backyard fires are not a problem and nearly all occur without incident. This ordinance, however, relies entirely on the responding police officer's discretion on determining if a nuisance exists. City Manager Heydlauff submitted an example ordinance for Council's consideration.

Mayor Kurtz opened the item to public comment.

Carol Mac-Griffon went to great length recalling her experience with a neighbor's fire pit. She asked Council to do something.

Jodi Laurent felt fire pits should be restricted depending on lot size.

The item was closed to the public.

After Council discussion, it was their consensus to direct the City Manager to draft a condensed ordinance which does not require a registration process but does include civil remedies.

### B. Boyer City to Charlevoix Trail Support

City Manager Heydlauff recalled that in the 2017/2018 Budget, we included \$12,000 toward construction of the bike trail connecting Charlevoix and Boyer City. This trail is included in the City of Charlevoix's Recreation Master Plan.

Mayor Kurtz opened the item to public comment.

Larry Sullivan explained the logistics of Phase II of the Trail and he noted that there may be five phases in the project.

The item was closed to the public.

Motion by Councilmember Kalbfell, second by Councilmember Gibson, to contribute \$12,000 to the Boyne City to Charlevoix Non-Motorized Trail.

C. Food Truck Pilot Policy Renewal

Councilmember Hagen recused himself. City Manager Heydlauff recalled that in the fall of 2015, Council appointed a committee to study food trucks and how they might be included in the Charlevoix community. The committee recommended a pilot policy that was adopted by Council in June 2016 but no vendor took advantage. City Manager Heydlauff stated that he received calls from a couple vendors looking to operate this summer and he asked Council if they wanted to reinstate the policy.

Mayor Kurtz opened the item to public comment. There was no comment and the item was closed.

**CITY OF CHARLEVOIX**  
**RESOLUTION NO. 2017-07-02**  
**FOOD TRUCK PILOT PROGRAM POLICY**

**WHEREAS,** the City Council appointed a committee to study how and where food trucks might be permitted in Charlevoix; and

**WHEREAS,** the Committee has met frequently over last year; and

**WHEREAS,** the City has received renewed interest from vendors contemplating operation if the policy were in effect and this policy mirrors the one developed last year by the committee.

**NOW THEREFORE BE IT RESOLVED,** that the City of Charlevoix City Council hereby adopts the following pilot program policy regarding food trucks on City property:

**FOOD TRUCK PILOT PROGRAM POLICY**

*Food trucks, food carts, and other mobile food vendors (collectively hereafter referred to as vendors) shall be permitted at certain locations and certain days on City-owned property according to the following rules:*

- Vendors shall obtain a business license from the City Clerk in accord with City Code.
- Vendors shall pay a fee of \$450 for a license to operate on City property and fulfill all requirements for vendors; the City Manager is directed to develop reasonable standards for vendors in consultation with the Food Truck Committee. Vendors shall be required to obtain appropriate health department certifications and provide to the City certificates of insurance. Failure to adhere to these standards shall be cause for termination of the license to operate without a refund of fees paid.
- The City Manager shall cause a schedule to be created and maintained permitting vendors to register their location based on the following stipulations from May 1-October 31:
  - On Thursdays, two vendors shall be permitted downtown in the parking lane in the vicinity of Plaza B from 9am until 8pm.
  - On Tuesdays, one vendor each shall be permitted at Lake Michigan Beach and Ferry Beach and shall park in the parking lot near the concession stands. Such vendors are permitted from 10am until 10pm. The Recreation Director may specify exact parking locations and may move this location as necessary based on events and activities in the parks.
  - One vendor may locate at Depot Beach in the parking lot on any day from 10am-9pm.
  - One vendor may locate at the Charlevoix Golf Club in the parking area near the clubhouse on any day from 10am-8pm.
  - One vendor may locate at the Charlevoix Municipal Airport in a parking spot designated by the Airport Manager from 9am-8pm. A vendor parking at the Airport shall be responsible to pay applicable parking fees.
  - The City Manager is permitted to restrict scheduling based on community events, inclement weather, or reasons as necessary.
  - Scheduling of vendors shall occur based on availability of space on a "first come, first served" basis. Upon meeting all requirements to be a vendor and paying all fees, the vendor may register for a space(s) on the schedule published by the City Manager.
- This policy shall expire October 31, 2017.

*Vendors locating on private property shall be subject to the provisions of the Charlevoix City Code relative to temporary business licenses. Vendors used during festivals and events not sponsored by the City of Charlevoix but which occur on City property shall be subject to the terms of use for those festivals and events.*

**8. Reports & Communications**

**A. Public Comments**

Larry Sullivan explained the history of Park Avenue parking areas. He also voiced his opinion regarding potential plans for parking in this vicinity.

Mike Doherty agreed with Mr. Sullivan. He felt Park Avenue was the most dangerous street in town. He requested a full time solar speed limit sign.

City Manager Heydlauff stated that this suggestion was brought forward to MDOT who suggested limiting left turns as a better alternative. The City Manager updated Councilmember Kalbfell on the status of goats as a way of controlling invasive species at Michigan Beach Park: the specific type of goat required is in high demand and unavailable at this time.
