Tourism: Charlevoix is a destination place for both locals and tourists to visit for a day, a week, or more. Please provide information regarding services you plan to offer and how your business will bring new visitors to Charlevoix.

Community: It is understood that any tour boat company operating out of the Marina is a for-profit business. But, like any business in Charlevoix, they are part of the community. Please list all community contributions and/or partnerships that your company has been able to offer service groups, associations, agencies or likewise.

Accident and safety procedures. Given the situation and potential hazards on the water, it is highly possible that docking accidents may happen. Please provide your accident

and safety procedures. In the event of an accident, please describe how damages caused by your vessel to the dock will be handled.

- The dock is a public dock; the City will be responsible for routine maintenance and repairs of the dock. The dock must always remain accessible to the public and other vessels that utilize the adjacent unassigned space.
- If the commercial operation is proposing to rent out a boat, customers are to be provided safety information and training on the operation of the boat.

Please detail the moorage fees to be paid to the City; this shall be a minimum of \$150.00 per foot of vessel for the season. Proposed compensation may include creative revenue shares with the City such as a per passenger payment to the City.

Please present detailed information on the firm's proposed fee schedule for specifications proposed and any variation for non-routine services, inclusive of Michigan State sales tax and any other applicable governmental charges.

SELECTION

Charlevoix City Council will review all submitted proposals and upon completion of proposal reviews and any subsequent interviews, the successfully selected proposal will be required to sign contracts, submit business licenses and insurance requirements.

Lease will be awarded for a three-year term.

The successful proposal will be expected to abide by all City of Charlevoix Ordinances, Park rules, business license requirements, Public Health food service requirements and Michigan State Liquor Control Board requirements and US Coast Guard rules and regulations.

The successful Lessee understands and agrees that the City of Charlevoix will only grant space by the lease. A lease will not be a contract, it will only confer permission to occupy and use the premises for described purposes. A successful lease's expenditure of capital and/or labor during use and occupancy will not confer any interest or estate in the premises by virtue of said use, occupancy and/or expenditure of money thereon. The City will only grant successful lessees an individual, revocable, and non-transferable privilege to use the premises for the concession granted.

The City of Charlevoix reserves the right to accept or reject any or all proposals, to waive irregularities, and to accept the proposal deemed to be in the best interest of the City of Charlevoix.
