

## Venetian 2022 Boat Slip Rental Agreement

Congratulations! If you are receiving this letter, you have been selected for a boat slip for Venetian Festival 2022. We are pleased to have you and hope to give you the best experience here at Charlevoix City Marina. Slip occupancy will begin Wednesday July 20th and end on Sunday July 24th, along with the option to stay until Monday July 25th if needed. Below is a plan and agreement we are sending all boaters to ensure that communication with the organizers is the best it can possibly be. This will help so that there are no mix-ups and that both boaters and staff can always remain on the same page. Venetian at Charlevoix City Marina is always the best time of year, however there can be challenges when it comes to fitting 50% more boats than what our capacity allows. We look forward to seeing you very soon and as always, we hope Venetian is everything you hope for and more!

**THIS CONTRACT MUST BE COMPLETED AND RETURNED TO THE MARINA OFFICE OR EMAILED to [marina@charlevoix.gov](mailto:marina@charlevoix.gov) NO LATER THAN JULY 12TH, 2022.**
