

## **Process for Dockage Request during Venetian**

The Harbormaster places a hold, or black out, on all reservations during the final days of the Venetian Festival, typically Wednesday, Thursday, Friday and Saturday.

The Harbormaster advises that he will have space available on a first-come, first-served basis. The size of the boat will also be determining factor.

If you'd like a slip in the Marina for Venetian, email the Harbormaster on July 1st at 8:00 a.m. at [marina@charlevoixmi.gov](mailto:marina@charlevoixmi.gov) of your desire to have a boat slip. In the email include your name, the name of the boat, the boat length, boat width and your telephone/cell number. Also, please advise the Harbormaster, if you are planning to participant in the Venetian Boat Parade.

If you have any questions, contact the Harbormaster after May 15th at 321-547-3272 or the Recreation Department off-season 231-547-3253.
